# PHD TRAINING WEEK

## Focus on Research Communication, Dissemination and Exploitation

*Strategic competences for young researchers*

---

### **GENERAL LEARNING GOAL**

*Soft Skills are more and more relevant for the career development of young people.*

*The PhD Training week offers an innovative training in soft and transferable skills, which will equip the University of Padua (Unipd) PhD students with the key communication and organizational competences that are expected from modern scientists, preparing to play a leading role in academia, in the private or in the public sector.*

*Participants are offered interdisciplinary knowledge in the fields of research*

*design, research communication, exploitation and dissemination. They are challenged to be creative and proactive when dealing with problems or unexpected events.*

### **Enrollment**

*The course is structured in 5 different modules. Module 3 is offered twice with the same contents: participants may register only for one day.*

### **Monday, March 27<sup>th</sup> 2023**

*9.00-13.00*

**Module 1** - Open Access and scholarly communication / From Open Access to Open Data: the Open Science framework

*Max. 80 participants*

*14.00-15.30*

**Module 2** – How the Unipd Communication Office conveys Research

*Max. 80 participants*

### **Tuesday, March 28<sup>th</sup> 2023**

*10.00-13.00, 14.00-18.00*

**Module 3 (first edition)** - Communicating Science: a Creative Challenge

*Max. 40 participants, who may attend either on Tuesday or on Wednesday – not on both days.*

Training the next-generation talents

**Wednesday, March 29<sup>th</sup> 2023**

09.00-13.00, 14.00-17.00

**Module 3 (second edition) -**

Communicating Science: a Creative Challenge

*Max. 40 participants, who may attend either on Tuesday or on Wednesday – not on both days.*

**Thursday, March 30<sup>th</sup> 2023**

10.00-13.00

**Module 4** - How to communicate research: communication, dissemination and exploitation strategy

*Max. 80 participants*

14.00-16.00

**Module 5** - Key concepts and practical hints for public engagement

*Max. 80 participants*

**To attend the various modules it is necessary to register through the UNIPhD Doctoral Programme website.**

<https://uniphd.eu/event/>

***Be aware that you need to reserve a seat for each module you wish to attend.***

***The online enrollment procedure will remain open until Wednesday, March 22<sup>nd</sup> 2023.***

For each module a maximum number of participants is set (from 40 to 80 depending on the module). Only PhD students booking a seat may have access to the room.

# UNIPhD

The PhD week is open to all PhD students at the University of Padua. For each module, 38 seats are allocated to students participating in the UNIPhD MSCA COFUND Doctoral Programme.

Waiting lists will be set up if necessary.

Lunch is offered every day from 1 p.m. to 2 p.m, only to participants attending the morning module.
