## NON-EU FELLOWS - VISA REQUIREMENTS

*Please note that from 1 January 2021,*
*UK Citizens are considered non-European.*

A Visa is a conditional travel document granted by a territory to a foreigner, allowing them to enter, remain within, or leave that territory. Visa applications must be submitted online through the Universitaly platform; passport must instead be submitted to the Italian Embassies/Consulates in the Country of residence, that are in charge of issuing the visa.

In order to enroll at the University, non-EU citizens should contact the Italian Embassy/ Consulate in their own Country of residence as to obtain a student visa.
The Embassy/Consulate will issue an entry visa for study purposes to applicants who have been admitted. Do not enroll with a tourist visa. Only students with a student visa are eligible for enrolment. Please inform the UNIPhD Management Team if you have any difficulties obtaining a visa or your date of arrival has been delayed. For more information, visit this website. You can find a tutorial about filling the residence permit application here when your stay in Italy is longer than three months.

Documents needed:

- Visa application form
- a recent passport-size photograph
- a valid travel document expiring at least three months after the expiry date of the visa you applied for
- Proof of availability of accommodation in Italy: hotel reservation, declaration of hospitality
- Proof of availability of sufficient means of subsistence in relation to the stay in Italy, for an amount that must not be less than the one established in Table A attached to the Directive of the Ministry of the Interior dated 1st March 2000, which you can find here

- Health insurance, if the foreigner is not entitled to health care in Italy by virtue of agreements or conventions in force with their Country
- Enrolment in post-graduate courses (masters, doctorates, specialisations, further training, etc.) at public or private Italian universities authorised to issue qualifications with legal value.

## TAX CODE

The Italian tax code (*codice fiscale*) is an alphanumeric code which allows Italian authorities to identify every individual. The tax code is essential if you need to sign a contract in Italy, open a bank account, or access various public services (including health services).
The tax code is issued by the Italian Revenue Agency (*Agenzia delle Entrate*). The UNIPhD Management team will request a tax code on your behalf and forward it to you once ready. Please note that it may take several weeks. Your tax code is unique and will never expire. Once obtained, it may be used if/when you return to Italy after your PhD experience.

## EQUIVALENCE OF FOREIGN QUALIFICATION

You can attend a PhD Course only if the academic qualification awarded abroad is equivalent to a second-cycle Italian

degree (*Laurea magistrale a ciclo unico - Laurea magistrale*) awarded at an officially recognised foreign academic institution, which grants admission to a PhD course in the education system/Country in which it was awarded (except for significant differences). When enrolling, you will be asked to attach the *Attestati di comparabilità e verifica del titolo estero* (Statements of Comparabilty and Verification) produced by CIMEA. Alternatively, you can attach the Diploma Supplement if your qualification is awarded in an EU Country (or in any of the Countries taking part in the Bologna Process) or Declaration of Value in case the qualification is awarded in a non-EU Country. Information on the *Attestati di comparabilità e verifica del titolo estero* is available here; whereas on the Diploma Supplement here.
For further information on the Declaration of Value, visit this web page.

## HOW TO GET TO PADUA

### FROM VENICE AIRPORT

From the airport, travel to Padua by:

- BUSITALIA VENETO coach (every 30 minutes) until 10pm
- Train from Venezia-Mestre railway station. The airport is linked to the train station by ATVO Fly bus or ACTV city bus no. 5

### FROM TREVISO AIRPORT

The airport serves low-cost airlines. Travel to Padua by La Marca coach until 8.30pm or by train. The airport is linked to the train station by ACTT bus no. 6.

### BY TRAIN

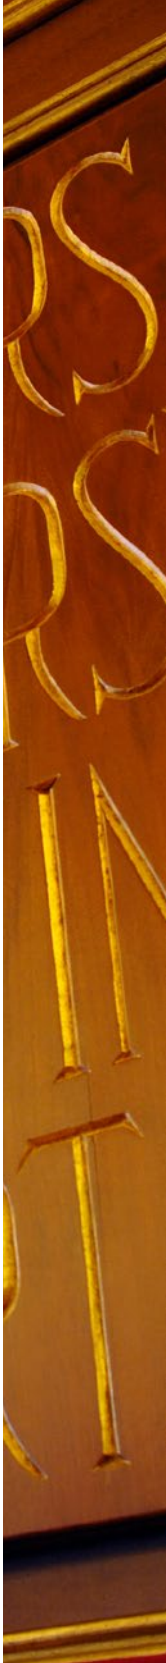
The railway station is a 15-minute walk from the old city centre; there are train services to Venice, Trieste, Verona, Milan, Bologna, Florence and Rome. For timetables and information: Trenitalia (high speed and local trains), Italo (high speed trains). Other possible solutions to reach to city are available here.

## HOUSING

During your stay in Padua, you can find accommodation through a variety of options:

### PRIVATE COLLEGES

The University of Padua has signed multiple agreements with many private colleges and apartments in order to reserve some places for international students. Each accommodation applies different prices and conditions and includes different services (e.g. half/full board). If you wish to benefit from this opportunity, please contact directly the facility you are interested in. More information available at this link.



## ESU RESIDENCES

Fees depend on income, merit and type of accommodation. An online call for applications is published every year at the beginning of the summer. University guesthouses are open from October to the end of July. Here further information. For bookings, write to accommodation@esu.pd.it; you will be asked to provide your personal details as well as your dates of arrival and departure.

# ON YOUR ARRIVAL

## RESIDENCE PERMIT

The SAOS office (Welcome Service for Foreign Guests) of the University of Padua will collaborate with your Host Department in offering a **First-arrival escort service** for UNIPhD Fellows. Please contact the Research Office of your Host Department, which shall make an appointment with SAOS for you.
You will be accompanied in the following steps by an expert speaking in Italian for you:

1. entry and stay in Italy
2. residence permit: first application, renewal and transfer/conversion

3. family reunification
4. public health assistance
5. SPID - Public Digital Identity System

More information is available here.
For general information on the procedure, please also visit EURAXESS Italy.

### NON EU FELLOWS - ENTRY AND STAY IN ITALY

Non-EU citizens must apply for the stay permit **within 8 working days from their arrival**. The University of Padua has an office to help foreign students complete the procedure. You can find the required information at the following link.

### EU FELLOWS - ENTRY AND STAY IN ITALY

European Union citizens staying in Italy longer than 90 days are required to inform the Municipality of Padua about their stay in town and register to the local *Schedario della popolazione temporanea* (Temporary Registry Office) at the Municipality office *Ufficio Anagrafe* (Registry Office).
More information (in Italian) is available here.

## HEALTH INSURANCE

### FOR EU FELLOWS (INCLUDING FELLOWS FROM ICELAND, LIECHTENSTEIN, NORWAY, AND SWITZERLAND)

Before coming to Italy, you should get information in your Country of residence about insurance coverage in Italy.
You should come to Italy with your valid

insurance card / EHIC - European Health Insurance Card or form E106, E109 (if applicable). In most cases, the EHIC automatically covers emergencies and medical care by a general practitioner (family doctor) for the whole duration of your stay in Italy. In case you are not holding a valid EHIC card, you are recommended to inform your Host Department at the University of Padua that will provide for a Health Insurance coverage. More information (in Italian) is available here.
A list of general practitioners and pediatricians active in Padua is available here (in Italian).

### FOR NON-EU FELLOWS

Before coming to Italy, you should get information in your Country of residence about insurance coverage in Italy and inform your Host Department at the University of Padua. Following your arrival, the Host Department will register you with the Italian National Health Service (Servizio Sanitario Nazionale); when not possible, a private insurance for illness will be stipulated, with no additional charges for you.
Please note: when registering with the Italian National Health Service, you will be requested to hand in a certificate of your income concerning the year before your arrival in Italy (that is 2022).

## BANK ACCOUNT

Foreign PhD candidates with a Fellowship are required to open a bank account while in Italy. Simply go to a branch office of any bank with the following:

- Your tax code
- Your passport
- Postal receipts of your stay permit application
- Certificate of your enrolment at the University of Padua.

## NATIONAL PENSION INSTITUTE INPS

The University must pay social security taxes on your PhD Fellowship. In order to do so, it is necessary for you to be registered at the Italian National Institute for Social Security (INPS). The enrolment is online and you need to have either a PIN CODE or SPID (for those in possession of a valid Italian identification document and an Italian health card or tax code card). As the procedure is only in Italian, you should go to the INPS office and ask for the PIN CODE to be enrolled in the *Gestione Separata* or go to www.inps.it and fill in a PIN Request Form. Then please contact the SAOS office, that will register you in the *Gestione Separata*.

### INPS PIN CODE APERTURA GESTIONE SEPARATA

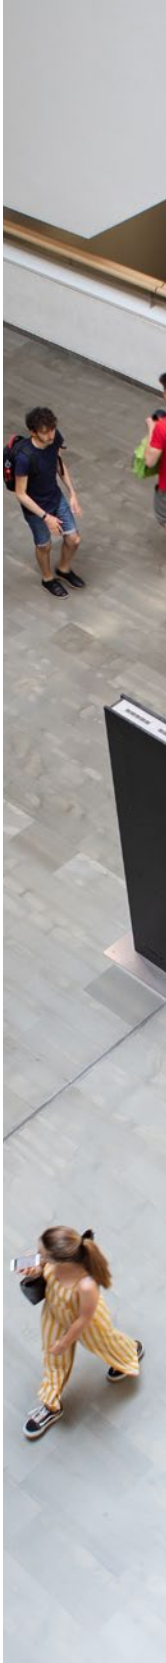
Via Delù 3, 35131 Padua
Office opening hours:
from Monday to Friday 8.30am-12.30pm

## WELCOME MEETING

At the beginning of the academic year, new UNIPhD candidates are invited to attend a Welcome Day event on which practical information on the University and the city of Padua will be provided and a social event will facilitate the establishment of a Fellow-network.

## NETWORK MEETING

A UNIPhD Network meeting will be organised at the beginning of every academic year, allowing Fellows to disseminate and communicate their research and training progress to the whole University arena. These meetings will bring together all Fellows, supervisors and stakeholders (such as academic and non-academic partners, research institutes and companies associated to partners, local and regional industry and local authorities, etc.). The single-day events will consist of short presentations by the Fellows and of by invited renowned international scientists from the academia and the non-academic sector. Within dedicated poster sessions, UNIPhD Fellows will have the chance to discuss their project in an informal way with other Fellows and scientists.

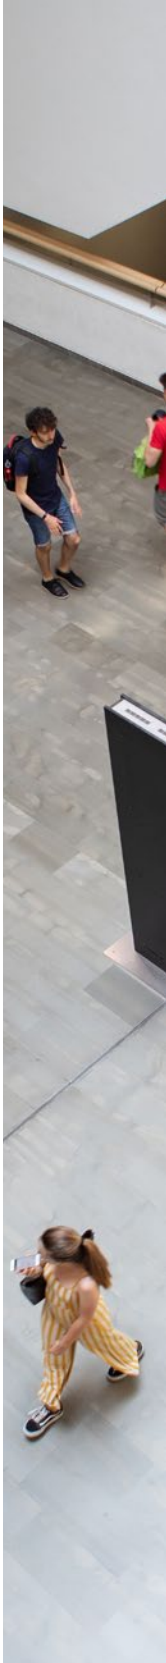


## TRAVEL BUDDY

International PhD candidates who need assistance during their first year of stay at the University of Padua will be assigned a so-called "buddy", a PhD student entering his/her 2nd or 3rd year, acting as a tutor.
In a friendly way ("peer education"), your buddy will help you with some of the bureaucratic procedures you are asked to complete.

## FAMILY REUNIFICATION AND COHESION

You can find all information here.



3

# LIVING THE UNIVERSITY OF PADUA

Foreign PhD candidates are **required by law** to carry their passport and stay permit with them. If the permit of stay has not yet arrived, take with you the application receipt. European PhD candidates are **required by law** to carry their ID cards at all times. Keep a copy of all important documents at home in case the originals are stolen.

## HR EXCELLENCE IN RESEARCH

Since 2014, the University of Padua has been developing and implementing three-year

Action Plans in order to fulfil the principles established by the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). As a consequence of the University commitment in adopting policies which aim at supporting research staff, Unipd has been awarded the "HR Excellence in Research" award.

HR EXCELLENCE IN RESEARCH

## DISCOVERING PADUA

A city definable as truly student-friendly, Padua hosts over 60,000 students within a population of little more than 210,000 inhabitants: these are the numbers depicting one of the oldest university towns in Italy, where students and city life coexist in close proximity on a daily basis. Find out more here.

## PUBLIC TRANSPORTATION

The University promotes various initiatives in order to improve sustainable transport in urban areas. **City buses and the City tram** are run by APS Mobilità: tickets can be bought at *edicole* (newsagents) and *tabaccherie* (tobacconists); bus passes are available at APS offices and online. A special transport for people with disabilities can be booked by phone: 840.000.55.

An on-call **night bus** service, organised in collaboration with the University, the Municipality of Padua and Busitalia Veneto, is also available, upon request via the QuiBus app.
There are two Bike sharing options in Padua and a free e-scooter sharing service:
• Goodbike Padua
• Ridemovi (stationless)
• Electric scooters.
Enjoy our 170km of cycling paths!
More information available here.

## PSYCHOLOGICAL ASSISTANCE

The **Psychological Assistance Service** is a point of reference for students who encounter psychological difficulties during their studies (anxiety, relationship problems, academic performance). It provides counselling so that students can play a productive role in University life, reaping the benefits of their studies, and offers valuable information and support regarding addictions (smoking, alcohol, drugs, eating disorders etc.). www.unipd.it/en/healthcare
The Service is set up by the Centro dei Servizi Clinici Universitari Psicologici (SCUP). International students can book an appointment by writing to scup@unipd.it.
A **Trusted Intermediary** (trusted.intermediary.cofund@unipd.it) with intimate

knowledge of the academic world and a background in psychology is involved in the UNIPhD Programme, with the aim of ensuring the wellbeing of Fellows, acting as a reference point throughout their enrolment. The Trusted Intermediary's main task is to mediate potential conflicts between Fellows and Supervisors and, should Fellows face stress or psychological suffering, to help them identify the most appropriate Support Services.

## OMBUDSMAN

The Ombudsman was established with the aim of providing advice and assistance to the students of the University, protecting their rights and ensuring the impartiality, correctness and timeliness of the administrative action. Among the various assignments, the Ombudsman verifies that the administrative and didactic activities are carried out in compliance with the University statute and regulations. The Ombudsman receives, by appointment, during the Office opening hours. More info (in Italian) here.

## EMERGENCIES

*Polizia* - Police
113

*Carabinieri* - Military Police
112

*Vigili del fuoco* - Fire Department
115

*Soccorso sanitario* - Ambulance
118

*Polizia municipale* - City Police
049 8205100

## RESOURCES AND SUPPORT FOR UNIPHD FELLOWS WITH DISABILITY OR LEARNING DISABILITIES

For information, consider the UNIPhD Selection Announcement and the webpages available here.

## MOBILE PHONES

Upon arrival, you may need to buy a mobile SIM card, choosing between a prepaid or post-paid one. A wide range of traffic plans are available, so choose carefully and check the terms and conditions.
You can get:
• a prepaid SIM card *(ricaricabile)*: it must

be regularly recharged with credit vouchers *(ricariche)* that can be done at tobacconists, bars, ATMs or online
- a mobile contract *(abbonamento)*, a permanent contract at a fixed monthly rate.

To get a prepaid SIM card or a contract, you will need:
- identity document/passport
- Italian address
- tax code *(codice fiscale).*

## CANTEENS

All students and staff can use the canteens managed by ESU or other partners. Canteens are located in the city centre or near the main University buildings (even in other cities).
The price of meals (lunch or dinner) varies according to your financial situation (assessed by the ISEE). Access to canteens is provided through QR code identification, available, upon accreditation, on this web page.
For further information, visit this website.

## LIVING COSTS

Living costs vary greatly depending on the type of accommodation, whether you are sharing accommodation with roommates, and your overall standard of living. At this link you can find estimates of average living costs.

# STUDENT ASSOCIATIONS

The University of Padua features several social, cultural and sport associations involving the university community and the citizens of Padua.

**ADI (ASSOCIAZIONE DOTTORANDI E DOTTORI DI RICERCA IN ITALIA)** is a non-profit, politically independent association founded in 1998, aimed at the defence of PhD students and young researchers' rights. Its local section – ADI Padua – does not only promote representative actions, but also organises cultural and social events for the community of young researchers.
For more information: padova@dottorato.it

**INTERNATIONAL STUDENT COUNCIL**
is the representative association of international students at the University of Padua, providing support and promoting social interaction and cultural exchanges.

**ERASMUS STUDENT NETWORK (ESN)**
is a non-profit international student organisation that provides opportunities for cultural understanding and self-development under the principle of "Students Helping Students".

**MCAA ALUMNI**
(Marie Sklodowska-Curie Alumni Association)
is an international non-profit organisation established and supported by the European

Commission, but entirely run by volunteer members and with a bottom-up approach at its core. MCAA members all benefit or have benefitted from an MSCA funding, therefore sharing a strong background in research, but their career paths are diverse and touch all economic sectors. The vibrant MCAA community brings together all career stages from all scientific disciplines, encouraging networking and cooperation, making the MCAA a forum of debate between researchers and with the society. The MCAA is a major platform for researchers to contribute to shaping science policy in Europe, providing career development opportunities and supporting the wider research community on topics affecting research and researchers' lives.

The Italy Chapter is chaired by Riccardo Biondi.

The Padua Chapter is coordinated by Jonathan Paul Lambert and Ana Paula Miranda Mendonça.

## SPORTS

Thanks to the CUS (*Centro Universitario Sportivo* - University Sports Centre), the University of Padua offers many possibilities for practicing sports (e.g. athletics, rugby, volleyball, basketball, boat races) both at competitive and amateur levels in two

sports facilities in Padua.
Every year students can take part in the *Ludi del Bo* (tournaments for university students and staff) and in the National University Championships. The University supports students with disabilities willing to practice sports, especially Paralympic disciplines.
The University of Padua also grants some financial benefits to athlete-students with specific competitive sport merits.
More info available here and here.

## LANGUAGE COURSES

The University Language Centre promotes the learning of modern foreign languages taught at the University of Padua and of Italian as a foreign language. It organises different types of courses, learning activities, self-learning initiatives, and language assessment at any level. It features a media library, whose resources can be freely accessed. Information is available here.

## WIFI

Padua, just like a growing number of other cities around the world, has opened up a series of free Wi-Fi hotspots in the most beautiful and publicly accessible parts of the city. More details here.

## UNIPD EMAIL

All PhD students have an email address name.surname@studenti.unipd.it; after enrolment, you will receive an email with instructions in order to activate it.

## LIBRARIES

To develop co-ordinated library services, the University of Padua has set up a Library Centre, to oversee and promote the facilities and services offered by the several University of Padua libraries in the city. The list of libraries and information on how to access them are available here.

# HOLIDAYS

All public offices and university premises are closed on Public Holidays. Consider the Key Academic Dates of our University available at this link.

| | |

# UNIPHD LIFE

## FELLOWSHIP

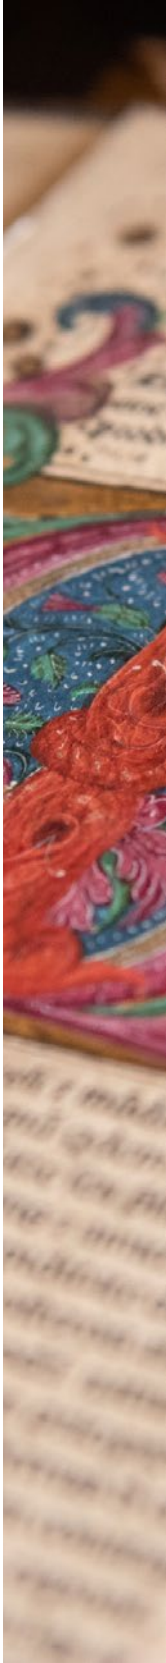
The UNIPhD fellow annual salary, which is paid monthly, is set by the Grant Agreement in € 32.520 gross amount (ca. €23.280 net amount) for researchers with no family responsabilities or € 34.920 gross amount (ca. € 25.044 net amount) for researchers with family responsibilities (i.e. spouse, children). Salary comprises the following allowances (gross amount):

- **Living** allowance: € 2.510/month for 36 months

- **Mobility** allowance: € 200/month for 36 months, covering fellows' expenses linked to their mobility (i.e. relocation, travel expenses)
- **Family** allowance: € 200/month for 36 months for UNIPhD Fellows with family obligations atthe time of the call deadline. The family allowance is reserved to applicants linked to another person by (i) marriage, or (ii) a relationship with equivalent status to a marriage recognised by the legislation of the country where this relationship was formalised, or (iii) dependent children who are actually being maintained by the applicant.

## RESEARCH BUDGET

UNIPhD Fellows are assigned additional financial support to cover **research, training and networking costs**, that is, purchase of equipment, consumables, publications, Open Access costs, fees for scientific journals, travel expenses (e.g. related to conference/intensive courses participation, networking activities) and external services. The funding will be managed by your Host Department and expenses will have to be approved by your Supervisor. The administrative contact person(s) at your PhD Course will be available for more information.



## EMPLOYMENT CONTRACT AND CONDITIONS

The University of Padua will enter with every UNIPhD Fellow a 3-year (36 months) employment contract (Research fellowship - *Assegno di ricerca*). It will be signed by the Fellow and the Director of the Host Department and will specify the Fellow's employment conditions and the University of Padua obligations.

The provided employment contract scheme is defined by the Italian Law 240/2010, art. 22, it is **tax-exempt** and **includes compulsory social security coverage and social benefits**: the Italian National Institute for Insurance – INPS will cover a contribution to pension funds, insurance against work accidents, sickness, maternity (5-month maternity leave is compulsory and paid jointly by INPS and the University of Padua up to the total amount of the fellowship), parental leave (optional 6 months can be claimed: the first 3 months are paid by INPS with 30% of salary, the last 3 months are not paid), adoption leave (same conditions as maternity apply) and foster care. The contract shall be suspended due to maternity leave, parental leave and serious sick leave. For more details please refer to Art. 7.2 of the UNIPhD Call for applications.

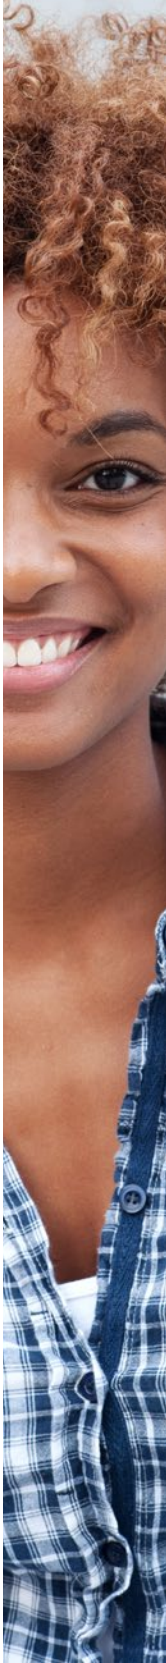
## SECONDMENTS

To ensure that UNIPhD fellows will receive the most innovative, avant-garde training and fully benefit from all opportunities on offer, you will have to carry out **2 secondments, one of which mandatory**, for a minimum period of 3 months and a maximum of 18 months, and each of them labelled with (at least) 1 of the 3 i's (international, interdisciplinary, inter-sectorial).

## SUSPENSIONS

Please note that:

1. Suspension of the contract for maternity and serious and documented illness shall be permitted and the aforementioned causes for suspension shall determine an extension for a period equal to the duration of the suspension if not otherwise defined in the contract
2. At the request of the Fellow, the grant can be suspended for serious, duly justified reasons or for reasons of *force majeure*, without prejudice to the extension of the contract for a period equal to the duration of the suspension
3. During compulsory maternity leave, the allowance paid by INPS (the Italian National Social Insurance Agency) shall be integrated up to the entire amount of the monthly instalment.



Concerning these specific cases:

- illness and maternity leave: send the UNIPhD Management Team (msca.cofund@unipd.it) and your PhD course a communication regarding your case indicating the period of suspension and attaching justification
- serious problems: write an email to your PhD Course coordinator and to the UNIPhD Management Team (msca.cofund@unipd.it) indicating the period of suspension and the motivation; the UNIPhD Supervisory Board will decide whether to accept or deny your request.

Suspensions longer than 30 days will cause suspension of the fellowship and an extension of your PhD in order to allow you to make up for the lost time.

## CERTIFICATES

In case you need a certificate attesting you are a PhD student at the University of Padua or that you finished your PhD course, please send an email to phd@unipd.it indicating what you need (purpose of the certificate and language – Italian or English). Consider that we have 30 days of time to answer your request.

You can either collect your certificate at our office or ask us to send it by email.

In some cases, you will have to pay a revenue stamp (*marca da bollo* € 16).
